At Spirit of Our Youth Homes we use the CAFAS (Child and Adolescent Functional Assessment Scale) to evaluate youth progress during their placement.

We ask that you complete the following CAFAS survey so that we can create effective goals and monitor the youth's progress. Referring to the past three (3) months, please check all that apply for this youth.

Spirit of Our Youth

School / Work:	
Out of school or job due to behavior?	Non-compliant behaviors results in suspensions from programming.
Behaviors being addressed by teachers or supervisors on a semi-regular basis.	No issues with School or work in regards to behaviors or attendance.
Home Subscale:	
Not at home due to behaviors of the youth.	Persistently will not follow through with basic rules i.e. chores, curfews, interactions with siblings.
Frequently will not follow through with basic rules i.e. chores, curfews, interactions with siblings.	Typically follows through with reasonable rules. Minor issues easily resolved.
Community	
Confined due to serious violation of the law i.e. violence, stealing a car, selling drugs.	Serious delinquent behaviors i.e. stealing, vandalism, defacing public property.
Frequently will not follow through with basic rules i.e. chores, curfews, interactions with siblings.	Typically follows through with reasonable rules. Minor issues easily resolved.
Behaviour Towards Others:	
Behaviors are consistently out of the norm and extremely odd; attempted sexual assault; deliberately harms animals.	Behaviors are typically inappropriate i.e. fighting, promiscuous, belligerent
Unusually quarrelsome, intentionally annoying to others.	Relates satisfactory towards others.

Moods & Emotions:

Has fears, worries or trauma that has resulted in poor day program successes.	Has extreme changes in moods that are intense and abrupt.
Often anxious or fearful, causes headaches or upset stomach etc.	Feels normal distress, is able to cope effectively.

Self-harmful Behaviors:

Intentionally puts self in harm's way or self-inflicts wounds to self-harm or attempt at suicide. This would be life threatening.	Non-life threatening self-harm, youth makes statements of wanting to die.
Repeated non-life threatening behaviors like pinching self, holding breath till dizzy, scratches self.	Behavior not indicative of self-harm behaviors.

Substance Use:

Lifestyle centers on the use and/or acquisition of substances.	Substance use interferes with day programs, following routines in the home.
Infrequent intoxication, mild use of marijuana.	No use of substance, denies using, possible using not directly interferes with daily routines.

Thinking:

Youth cannot attend school or work. Does not have friendships and cannot interact in the community. Bizarre thoughts and expression.	Frequent difficulty communicating. Requires constant supervision.
Occasional difficulty communicating effectively. Odd speech present.	Thoughts are effectively communicated.

Thank You! We look forward to working with you.
